IMPORTANT NOTES: (THEY'RE IN RANDOM ORDER, SO YOU SHOULD READ ALL OF THEM)

The course is a 33-mile loop of scenic paved roads completely closed to traffic. There are challenging climbs and descents. The course is entirely on Fort Cavazos, a US Army military base, and as such, is subject to military rules and regulations. Free-range wild cattle may present themselves on the course without warning. The Start line will be on the at the intersection of Old Georgetown and Elijah Road depending on that day's direction of the course. Saturday will start going east on Elijah and Sunday will start going North on Old Georgetown Road. On-site registration and results will be in the general vicinity of the start. Parking will be in the large crushed rock "field" on the Southwest corner of the intersection. The Finish line will be placed on the Eastern leg of Elijah Road near the intersection. The Feed Zone will be placed close to the intersection so that the feed is from the right either day. At Sanctioning there are plans for neutral water handups to be available at the intersection of Old Georgetown and West Range Roads. **ONLY RACE PERSONNEL WILL BE ALLOWED ON THE COURSE.**

FORT CAVAZOS CHALLENGE ~ PAGE 4:

Participants may approach from Elijah Road heading east from Rt 116 so as to not cross the course. You may freely come and go from the parking area at any time during the race using this route.

WARNING: Attempting to enter the venue from any other “Entry” will – at a minimum be blocked (closed course) or subject to Military Investigation. Do NOT USE MAIN GATE OR ANY other FORT CAVAZOS Entry.

* The Entry Fees will be as follows: July12 – Aug. 31 \$70 / Sept.1 – Sept. 10 \$75 / Sept.10 to Sept.20th \$85 / On-Site \$100 //// \$45 for 2nd Race

** IF sponsorship for Championship Jerseys comes through there will be ones available –

Serving Military – Race free in any category (with license) – period – Contact promoter.

~~~~~  
**Pre-Registration is at BikeReg ... [www.bikereg.com](http://www.bikereg.com) where their registration charges are additional to race fees on the flyer.**

- **Races may be combined because of Registration shortages, Official/Volunteer availability. But if we can run the races (WP123 and Women 4/5) with good registration, we'll do everything we can to run them separately.**
- **The race is being sanctioned under USAC regulations.**
- **If 70+ has more than 12 Pre-Reg entries, every effort will be made to have them run separate from 60+ (sag, official, etc.)**
- **Pre-Reg Registration will end on September 20th, 2020 AT NOON !!!**

## **FORT CAVAZOS CHALLENGE ~ PAGE 5:**

- We will announce race week the location of the pre-race packet pick-up for Friday night – assume Host Hotel.
- Assume numbers on the left and back ~ don't crinkle them.  
All USAC rules in effect / Event held rain or shine. (HAHAHAHAHAHAHAHAHA! 'cause we've had both)
- **NO PRIVATE VEHICLES ARE ALLOWED ON THE COURSE FOR ANY REASON, except Sunday morning for Junior Racer delivery.**
- Wheels in / Wheels out unless officials deem there are enough for neutral wheels
- **There is NO Junior 10 – 12 or 13 - 14 Registration on Sunday**
- Podium Ceremony times will be announced in further communications. They will be scheduled as soon as possible to when results become final. Trophies will be only available at these ceremonies. No mailed trophies whatsoever!!!
- Promoter may combine, change or adjust payouts for events with fewer than 25 pre-logged participants, availability of support / Officiating staff.
- There will be wheel vehicles for all events but these usually don't have facilities for rider pick-up. We will continually sweep the course during the morning and afternoon. If you are in distress, please signal passing vehicles. Riders standing by the side of the road will be deemed tired, but capable of finishing under their own power.
- Championship Eligibility: Championship Jerseys and medals are for US Citizens or Permanent Residents who are Texas Residents with valid annual licenses. Other racers in these events may compete and win trophies, but they are not part of the championship awards.
- Riders off the back of the main field, must stay to the RIGHT side of the road, and may not work with any other riders except those riders you started the race with.
- Riders racing multiple laps, who are deemed out of contention by the chief referee, may be pulled from the race at the finish line and have their place recorded.
- For Junior Men 10 – 12 / 13- 14 and for Women 10 – 12 / 13 - 14, there are special mileage restrictions. With the course being closed it would be impossible to have them start at the Start Line and finish out on the course while ensuring them a safe and quick return. So, we will start them 20K from the finish line, out on the course and have them race to the Finish Line. The 20K Start area will be marked by large Ductape Stripes (what else) across the road. Those delivering the juniors may drive the opposite direction on the course but, in any case, must deliver them by 0700 on Sunday morning and depart within 10 minutes to be completely off the course by 0730. There will be no facilities at this start location. (Rollouts at the finish) There will be two volunteers at each start location so the children will be appropriately supervised. This event will have an official and a follow vehicle as well. (*They'll be okay.*)
- There are no facilities at the venue past Portapotties. There is no electricity or running water. Bring everything you'll need. You can warm-up on the South leg of Old Georgetown Road from the start line to the Police Check Point which should provide miles of fun and a few interesting hills.
- The National Anthem. Figure Saturday and Sunday dawn at the start line. Please observe suitable decorum during this short ceremony. Sunday we'll have Amazing Grace as well. |:
- There is no scheduled military training during our visit. There should be no military or non-military vehicles on/near the course whatsoever. If you do see some, assume they don't/can't see you and **make it your responsibility to avoid contact.** There may be live fire during our visit (artillery – friendly or foreign). Don't worry about it – nobody's been hit yet. IF there is any incursion to our venue by any vehicles, military or not, Officials and Promotion staff will contact the authorities. IF there is any change to the race status, we'll let everyone know fast.

- **Please remember we're guests on a military reservation during wartime.** This venue took years to get. If anyone who even remotely looks like an authority figure addresses you ~ even during Race Face Preparation and transformation from normal human to "Roadie" ~ please be overtly polite and completely responsive. Find me, not the registration volunteers, nor the officials, to sort out any such problems and I promise to give you the needed attention as soon as I can. I have asked the Security Officials to work with me first on any non-life-threatening or non-security breach issues. Okay, what this means is that even if you're off the back, don't go exploring the mock Iraqi / Ukrainian village or the Simulated Down-town Bagdad / Kiev training facilities (both of which are along the course).
- If at any time you see something that looks like it might be an artillery shell, hand grenade, anything that might go "boom," OR any Cougar, Bobcat, Coyote, snake, Gila Monster or anything that looks like it eats other things ~ **don't touch it, keep riding** ~ We will sweep the course for such items the night before and the morning of the race. (The cattle are not tame and if there is a "pond" near the S/F it is NOT safe to go swimming or wading in. Please keep your children from going "exploring" or swimming.)

Very simply put: This race is run as a way to say "thank you "for those who served. From the beginning to now and the future.
